INSURANCE AND PAYMENT POLICY

The mission of Christian Counseling Associates is to provide both affordable services and professional care. We are a not for profit corporation, and all fees go toward the expense of maintaining the quality services provided to our clients.

- If you have **health insurance**, it may cover a portion of the cost of your counseling services. We will initially contact your insurance company to verify benefits. We bill all insurance claims at standard insurance fee schedules.
- Benefit information obtained is not a guarantee of payment by your insurance company. A final determination of your benefits will be made once a claim is submitted and reviewed by your insurance company.
- Payment for services is due when services are rendered.
- **All missed appointments that are not cancelled 24 hours in advance will be charged a fee equal to the cost of one session.** Missed appointment charges cannot be billed to your insurance, and you are responsible for payment.
